HARDI BOOMSPRAY PRE-SEASON INSPECTION

Punctuality is the key word in modern plant protection. This makes heavy demands on the function and reliability of the spraying equipment.

Was the sprayer stored away a little too quickly when the spraying season was over? If not, why not let R. McClintock and Co help you save some \$\$\$ and reduce down time this season!!

We are offering to service Your HARDI Boomspray no matter what age, to give you peace of mind that your machine is ready to go this season. By doing this, you will receive **10% discount** on labour and all genuine HARDI parts including nozzles.*

If you wish to take advantage of this offer, have your Pre-season Sprayer Repairs completed in full by our technician before 30th June 2019

If you require any further information, contact Rowan on 0499 550 087 or 02 6852 1200.

PLEASE NOTE:

- *No returns on parts orders.
- *No discounts apply to any repairs completed after ??, 2019.
- *Your Repair invoice will need to be paid in full by end of month, as noted on your invoice.
